A powerful combination of ingredients

- Kills 99% of bad breath bacteria***

Recommended by dental professionals world wide

- Proven to improve gum health 3 ways

Offers a customized brushing experience

- Three intensity settings for a gentle experience

Highlights

Improves gum health 3 ways

Clinically proven to improve gum health three ways: reduces redness, swelling, bleeding (sites)

Up to 6x better plaque removal

Removes up to 6X more plaque along the gumline than a manual toothbrush.

Click-on tongue brush

With 240 rubber MicroBristles, the TongueCare+ tongue brush is specifically designed to clean the soft and porous surface of your tongue. The flexible MicroBristles contour to and gently clean around the ridges and grooves, to remove bacteria build-up and

drive our bacteria-killing BreathRx tongue spray deeper. The compact shape allows you to comfortably clean the entire tongue.

Sonic power

TongueCare+ is the only tongue cleaner with Philips Sonicare strength, to clean away bad-breath bacteria with every stroke. 31,000 vibrations per minute break up tongue debris, sweep away bad-breath bacteria, and drive the bacteria-killing ingredients of the BreathRx tongue spray deeper. Thanks to our Philips Sonicare technology, your tongue will feel cleaner and your breath will stay fresh longer.

Easy to use

TongueCare+ tongue brushes quickly transform your Philips Sonicare toothbrush into a sonic-powered tongue cleaner. Each tongue brush clicks onto your Philips Sonicare toothbrush handle, just like a regular brush head. Simple to use, replace and clean, these innovative tongue brushes are compatible with all Philips Sonicare click-on toothbrush handles, so it couldn't be easier to add tongue cleaning to

your daily oral care routine. It fits all Philips Sonicare toothbrush handles except: PowerUp Battery and Essence.

Prevents & reduces gingivitis

With superior plaque removal along the gum line, this toothbrush can help reduce gingivitis up to 100% better than a manual toothbrush in just two weeks

Three intensity settings

With three customizable intensity settings (low, medium & high) you can select the right power level to ensure that brushing along the gumline is comfortable. After 1.5 seconds of brushing, you will have to push twice on button to switch mode. Once to pause and second to switch.

BreathRx tongue spray

The unique combination of ingredients in our Philips Sonicare BreathRx tongue spray is clinically proven to kill bad breath bacteria and neutralize odors instantly. The special thick formula coats the tongue and keeps it lubricated for a gentle cleaning experience. The cool mint flavor leaves your mouth feeling fresh and clean.
