Steam iron GC2988/80

# Highlights

## 2400 W for quick heat up

2400 W for quick heat up and powerful performance

## Steam up to 40 g/min

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

### Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

### SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

#### Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

#### **Drip-stop system**

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

#### **Robust heelrest**

This iron features a specially designed extra large heelrest, which gives extra stability when it is put in vertical position.

#### **Automatic shut-off**

The iron shuts off automatically when left unattended. If it is left on it's heelrest it will switch off in 8 minutes. When left on the soleplate or on the side, it only takes 30 seconds before the iron shuts off.
