## Features

### 40mm speaker drivers

### Adjustable earshells, headband

Your headphones are ergonomically designed to fit you perfectly, thanks to its adjustable earshells and headband – for true comfort and security on the go.

### Bluetooth technology

Pair your headphones with any Bluetooth device for crystal clear music enjoyment – wirelessly. Even when the batteries run out, your music enjoyment does not have to end. Simply plug in the cable and let the music play on.

### Closed-back design

The closed-back design isolates your music from any external sounds, allowing you to enjoy all the fine details and rich bass of the original recording.

### Easy NFC pairing

Easy NFC pairing lets you connect your Bluetooth headphones with any Bluetooth-enabled device – with just a single touch.

### Slim foldable design

Cleverly designed to give you the best experience on the go, your bluetooth headphones can be easily folded away for easy portability and storage. Carefully selected components, including hinges that allow the headphone parts to be moved with ease, make these headphones your perfect travel companion.

### Wireless music and calls

Simply pair your smart device with your headphones using Bluetooth and enjoy the freedom and pleasure of crystal clear music and phone calls – without the hassle of wires. Intuitive buttons let you have easy one-touch control of your music and incoming or outgoing calls.
