"With a choice of 3 interchangeable ear caps from size small to large, these headphones will always fit your ear perfectly. "

PHILIPS

Bluetooth 3.0

Bluetooth-enabled wireless

When it comes to endless music listening pleasure and hassle-free switching between music and calls, nothing beats Bluetooth! To enjoy your favorite tunes, pair your Philips headset with your Bluetooth-enabled smart phone or tablet, then all it takes is a tap on each earshell's intuitive control to change the volume or pause a song while you handle incoming and outgoing calls.

Finely tuned drivers

Finely tuned earbud drivers deliver the best in sound enjoyment.

NFC easy pairing

NFC easy pairing lets you pair with only one touch with your in-ear Bluetooth and Bluetooth enabled device.

Perfect in-ear seal

Super-small speaker drivers inside these earphones fit comfortably inside the ear, yet their exceptionally snug fit seals out outside noise for an intense, high quality listening experience.

Sweat and moisture proof

IPX2 sweat and moisture proof materials make them ideal for outdoor use and casual sports.
