### Description

The U040-006-C USB 2.0 Hi-Speed Cable connects two devices with USB-C connectors—such as smartphones, tablets, Ultrabooks and computers—or a USB-C device to a wall charger with a USB-C port. This 6-ft. (1.83 m) cable supports data transfer speeds up to 480 Mbps and power output up to 3A for fast charging of mobile devices. Unlike traditional USB cables that can be attached only one way, the reversible USB-C male connectors plug into a USB port in either direction for fast, fumble-free connection every time. Superior foil shielding provides reliable, error-free data communication. Nickel-plated molded end connectors and gold-plated copper contacts ensure superior conductivity and long life.
