

HP EliteDisplay E232 58,4 cm (23") Monitor

Performance and comfort with room to move.

Work smart and comfortably with the HP EliteDisplay E232 58,4 cm (23") Monitor, a large-screen Full HD IPS display with Elite-class presentation features and ergonomic adjustability for everything you do every day.

Put every detail on display.

- Enjoy sharp Full HD resolution for all your projects and collaborate easily with colleagues around the room with 178-degree viewing angles from IPS technology. The large 58,4 cm (23") diagonal screen gives you plenty of room for your open applications.
- Create the view that's right for you and boost your productivity with adjustable tilt and swivel and an impressive 150 mm height adjustment range. Use pivot rotation to customize portrait or landscape views.

Convenient connections.

- Connect to your choice of PC or device with HDMI, DisplayPort, VGA, and USB inputs. Keep your frequently-used devices right where you need them with USB connections at the display.
- Attach your HP Desktop Mini, HP Chromebox, or select HP Thin Client directly behind the display.¹ Keep things tidy with an integrated power supply and cable management features.
- Get an intelligent, energy-efficient design that is ENERGY STAR® certified, EPEAT® Gold registered², and meets TCO Certified Edge requirements with 85% Post-Consumer Recycled plastics.
- Design the screen for how you work with HP Display Assistant software.
- Customize a complete solution with HP accessories.³ Use the HP Speaker Bar for audio, an HP Single Arm to take the display off the desk, or an HP USB Graphics Adapter for multi-monitor³ setups. Go stand-less with the head-only model.⁴
- Get three years of service and support, and extend your protection with optional HP Care Packs.⁵

HP EliteDisplay E232 58,4 cm (23") Monitor Specifications Table

Product Number	M1N98AA; M1N98AT; M1N98AS
