100 % Performance

Multi-functional dish made from Cromargan® for rice, pasta, soups and much more

Simple and simultaneous preparation of multiple courses, all cooked in a very small space while retaining the vitamins

Two separate adjustable cooking areas to avoid mixing the flavours, each with 2.15 l capacity

Cooking area divider to flexibly divide up the cooking area as required

LC screen with intuitive and preset cooking programmes with individual adjustment of cooking times and a memory function

Water reservoir with 1.1 l capacity, can be filled externally, even when the steamer is in use

Water level display can be read externally

Keep-warm function for 40 minutes

High-quality glass lid

900 Watt of power
