Highlights

Ultimate flexibility

Philips Hue Lightstrip Plus is the most flexible light source imaginable. You can shape the strip into almost any form and use the adhesive tape on the back to attach it to any solid surface. If needed, you can cut your Philips Hue Lightstrip Plus to size at the scissor markings. Integrate Philips Hue Lightstrip Plus onto furniture, in coves, under kitchen cabinets or highlight architectural features with smooth, indirect light. Philips Hue Lightstrip Plus is the most versatile and robust light source that will bring your room to life.

Extendible up to 10 metres

Extend your Philips Hue Lightstrip Plus by up to 10 metres by adding 1-metre extensions to cover larger surfaces and enable wider applications. From bright cove lighting to ambient navigation light in your hallway or stairs, anything is possible. Philips Hue lightstrip plus gives you full colour consistency from the first to the last extension.

High light output: 1600 lumen

With a high output of 1,600 lumen and light coverage over its total length, hue Lightstrip Plus gives enough light to be used both as a decorative and functional light source.

Requires a Philips Hue bridge

Connect your Philips Hue lights with the bridge to control your lights from your smartphone or tablet via the Philips Hue app.

Be creative with colours

Play with light and choose from 16 million colours to instantly change the look and atmosphere of your room. Set the scene effortlessly with one touch of a button. Use a favourite photo and relive that special moment with splashes of light. Save your favourite light settings and recall them whenever you want with the tap of a finger

Sync with music and films

Extend your TV viewing experience to the whole room or sync light to your favourite music and see how light reacts to the rhythm. Download the third-party apps and discover the amazing things you can do with Philips Hue.

Light up your gaming

Lift your gaming experience to the next level. Download the third-party apps and discover the amazing things you can do with Philips Hue.

Wake up and go to sleep

Philips Hue will help get you out of bed the way you like it, helping you to start your day feeling refreshed. The light brightness increases gradually, mimicking the effect of sunrise and helps you to wake up naturally, instead of being woken up by the loud sound of an alarm clock. Start your day the right way. In the evening, the relaxing warm white light helps you to unwind, relax and prepare your body for a good night's sleep.
