- Swivel cord to prevent tangled wires
- Automatic shut-off after 60 min
- 1.8 m power cord
- Universal voltage
- 2 years of worldwide guarantee

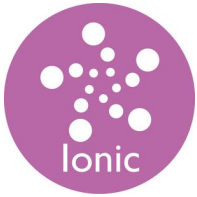

**PHILIPS**

Features

220°C variable temperature

Ionic Care

Give your hair an instant care with ionic conditioning. Charged negative ions eliminate static, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is hair that is beautifully shiny, smooth and frizz-free.

Instant heat up

The straightener has a fast heat up time, being ready to use in 60 seconds

Handle closing lock

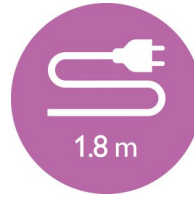

The straightener has a closing lock mechanism. Located at the base of the straightener, this locks plates, making storage quick and easy and helping to protect the straightener from accidental damage.

Ceramic coating

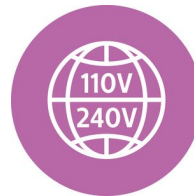

The smooth ceramic coated plates prevent damage to your hair during styling.

1.8 m cord

Universal voltage

Worldwide voltage for getting the perfect travel companion

2 years guarantee

2 years of worldwide guarantee.
