- Convenient speaker-front volume and power control

Great sound quality

- 40W RMS output power

Features

40W RMS output power

Attractive design

AUX-in for easy connection

Compatible with any media

Extended tube design

All gamers want their speakers to have as much bass as possible, and these speakers are specially designed to deliver the bass you want. The long tube design of this satellite speaker gives better quality sound with extended bass. This creates more volume to generate more bass and bring you more enjoyment from your games.

PHILIPS

Rich bass

This Philips PC speaker provides good sound quality with a rich bass experience from a loudspeaker box system.

Stereo sound

AUDIO-IN (3.5mm)

Make one easy connection and enjoy all your music from portable devices and computers. Simply plug your device to the AUDIO-IN (3.5 mm) port on your Philips set. With computers, the connection is typically made from the headset output. Once linked, you can enjoy your entire music collection directly, on a set of superior speakers. Philips simply delivers better sound.
