

# HP x2 210 Detachable PC

## Five versatile modes, one irresistible price

Who has time for a device that just does one thing? When work demands flexibility, you need a mobile PC that can keep up. Designed to fit the way field sales force, small businesses, and mobile professionals work, the versatile HP x2 210 Detachable PC gives you five modes for the price of one.

- Windows 10 Pro<sup>1</sup>
- Screen Size: 25,65 cm (10.1") diagonal

### An adaptable detachable

- Go beyond notebook and tablet functions with write, share, and watch modes that are ideal in the office and for mobile sale force and business pros in the field. Create content, view and share documents, finish proposals, work e-mails, and more.

### PC-like productivity

- Maximize productivity wherever you work: in and out of the office, at client sites or on the road with a detachable that has USB-C™, USB 3.0, micro HDMI, and a range of compatible accessories.<sup>2</sup>

### Easy to buy and maintain

- Be confident with the HP x2 210's modern manageability features, business-class warranty, TPM security, and protection options from HP support and services.<sup>3</sup>

### Affordable, tablet-first design

- Get a cost-effective business 2-in-1 that combines dependable productivity with tablet-class thinness for the maximum mobility craved in sales and business environments.

### Featuring

- Help protect from today's security threats and maximize management and productivity features for business with Windows 10 Pro.<sup>1</sup>
- Get a true business laptop experience for that important presentation, proposal or project with a durable keyboard base and 135° reflex hinge.
- Support your business applications with Windows 10 Pro<sup>1</sup> 64-bit powered by an Intel® Atom™ Quad-Core processor.<sup>4</sup> Get the job done with up to 4 GB of memory.
- Web conference<sup>5</sup> with clients and colleagues with an HD webcam and Audio by Bang & Olufsen.
- Wirelessly project HD content in a conference room or client site with WiDi<sup>6</sup> or Miracast.<sup>7</sup>
- Create content, close deals, finalize projects, and charge in the field with accessories<sup>2</sup> that fit your needs.
- Proactively monitor and troubleshoot IT-related issues with HP Touchpoint Manager.<sup>8</sup>
- Optional HP Care Packs with Accidental Damage Protection help you avoid out-of-pocket repair or replacement costs and deliver service right to your door.<sup>3</sup>

## Messaging Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

<sup>2</sup> Sold separately or as an optional feature.

<sup>3</sup> HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

<sup>4</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>5</sup> Internet access required and sold separately.

<sup>6</sup> Intel® Wireless Display available on Intel® products only. Requires a separate Wireless Display receiver with a USB port and an HDTV or Monitor with HDMI input. High definition (HD) content is required to view high-definition images.

<sup>7</sup> Miracast technology only works with other Miracast ready devices. High definition (HD) content is required to view high-definition images. For details see <http://wi-fi.org/miracast>.

<sup>8</sup> HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information.

## Technical specifications disclaimers

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

<sup>2</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>3</sup> For storage drive, GB = 1 billion bytes. Actual formatted capacity is less. Up to 6 GB (for Windows 10) is reserved for system recovery software.

<sup>4</sup> Wireless access point and internet service required and not included. Availability of public wireless access points limited.

<sup>5</sup> The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

<sup>6</sup> Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.

<sup>7</sup> HD content required to view HD images.

<sup>8</sup> HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/businessmobileprinting](http://www.hp.com/go/businessmobileprinting)).

<sup>9</sup> HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information.

<sup>10</sup> HP Support Assistant: Internet access required.

<sup>11</sup> Firmware TPM is version 2.0. Hardware TPM is v1.2, which is a subset of the TPM 2.0 specification version v0.89 as implemented by Intel Platform Trust Technology (PTT).

<sup>12</sup> External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
