Limitless possibilities

Extend your Hue Lightstrip Plus (sold separately) with this 40-inch Lightstrip extension. Attach the flexible light strip to any surface with the included adhesive to bring colored light to any space, no matter the shape.

Limitless possibilities

- Get in the mood with warm to cool white smart lights
- Play with smart color lights
- Amp your entertainment with smart lighting
- Connect to your Hue Bridge for full smart lighting control
- Flexible light strip to shape, cut or extend

Highlights

Get in the mood

Use over 50,000 shades of warm to cool white light to put you in the mood to work, play, or relax • no matter what time of day it is. Start your morning off on the right foot with cool, energizing bright white light, or settle down for the night with golden tones.

Play with smart color lights

There's no limit with Philips Hue: with over 16 million colors, you can transform your home into the perfect party venue, bring a bedtime story to life, and much more. Use preset, colored light scenes to evoke the feeling of summer any time you'd like, or use your own photo to relive a special memory.

Amp your entertainment

Immerse yourself in your movie, game, or music with the magic of light. With millions of colors from which to choose and countless lighting options, you can turn any living room into a private cinema • all you need to bring is the popcorn!

Connect to the Hue Bridge

This product requires a connection to the Hue Bridge to unlock the full smart control and features. Control your lights using the Philips Hue app, set timers, routines, add or remove lights and more. *Hue Bridge sold separately

Flexible light strip

Completely flexible, the indoor strip light lets you shape, bend, and manipulate it to shine its light the way you want. Cut the strip to size or extend with separate extensions to cover larger surfaces. Use the adhesive tape on the back to attach it to any solid surface.
