# Highlights

## Skin-friendly high-performance

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

## 4 built-in length settings

Slide the comb up to the desired length setting, from 1.5 to 7mm or use it without the comb for a 0.5mm stubble.

## Built to last

All of our grooming products are built to last. They come with a 2 year worldwide warranty and they never need to be oiled.

## Easy to clean

Simply pop the trimmer head open and use the cleaning brush included to sweep away loose hairs.

## Long lasting battery life

Up to 2 months of usage with one set of batteries, 120 minutes cordless power. (AA batteries are not included)

## Contour following comb

Flexing guide comb that follows every curve of your face for getting an even trim in an easy and comfortable way.
