

FS240 Snap2™ Privacy Screen for 22"-24" Widescreen Monitors— Black

K55315WW

Product Description

Protect confidential or sensitive information on your monitor from wandering eyes with a Snap2 Privacy Screen. The thin privacy screen limits the field of vision to +/- 30 degrees and attaches to a flat-panel display via a spring-loaded mount that's extremely easy to install without tools or adhesives. The hard-coated and textured surface protects the screen from scratches or fingerprints while also reducing glare and improving viewing contrast. It also filters out harmful blue light up to 52 percent.

Features

- Limits viewing angle +/- 30° which is convenient to hide personal or confidential information at your desktop
- Spring-loaded mount secures screen to monitor without hassle or adhesives
- Reduces harmful blue light by up to 52%
- Hard-coated surface protects screen from scratches and fingerprints
- Fits widescreen flat-panel monitors
- Textured surface with light tint minimizes glare and improves contrast
- Won't obstruct controls or speakers
- Special film coating prevents mildew and bacteria growth, which can cause stains and odors on the film.
