Marketing

Extended retailer text	Trust's USB-C 4 Ports USB Hub features two USB-C and two classic USB-A ports. This enables you to connect the peripherals with USB-A connectors you already have to your MacBook 2015 or any other device with a USB-C port. The hub is plug and play, meaning you can simply plug in the device and it works. No need for additional power or software. On top of this it is lightweight and easy to carry along. The hub features USB 3.1 gen 1, meaning it allows data transfers at a speed of up to 5 Gbps (10x faster than USB 2.0).
