# Highlights

## For kids

This Philips and Disney light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favourite Disney character. This light is designed to be safe for your child.

## Cool to the touch

This light is completely safe for children because it is made of child-friendly materials and uses LED light, which is always cool to touch.

## Durable and drop-proof

This light is durable and drop-proof, does not have sharp edges and is made out of durable

materials. Making sure your kids will have imaginative moments without any worries.

## Soft ambience creation

This portable table lamp is compact and can easily be placed next to the bed or on a desk to create a magical ambience.

## High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While instantly turned on, it enables optimal light output and brings out vivid colours in your kid's room.

## Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cosy

light, while those with a higher Kelvin value produce a cool, more energising light. This light offers warm white light for a cosy atmosphere.

## On/off switch on article

With the button discreetly integrated on the fixture, you can easily switch the light on and off.

## Automatic switch off

The table lamp will automatically switch off after 15 minutes to save battery lifetime.

## Battery operated - 3 x AA

This light works on 3 AA batteries. All batteries of this size will work. Do not mix different types of batteries; always use the same type. The batteries are not included in the box.
