BT1005/15

Pro Skin Trimmer

Long lasting performance, no skin compromise

The Philips Beardtrimmer Series 1000 delivers skin friendly trimming results time after time. Use the trimmer up to 2 months with one set of batteries.

Benefits

Skin-friendly trimmer

- Skin-friendly rounded tips for smooth skin contact
- Length settings from 1.5mm to 7mm, 0.5mm without the comb
- Contour following comb for a precise and even trim

Long lasting performance

- Up to 120 min cordless use

Built to last

- 2 year world wide warranty, no oil needed
- Pop open head makes it easy to clean with the added brush

PHILIPS

Features

Skin-friendly high-performance

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

4 built-in length settings

Slide the comb up to the desired length setting, from 1.5 to 7mm or use it without the comb for a 0.5mm stubble.

Built to last

All of our grooming products are built to last. They come with a 2 year worldwide warranty and they never need to be oiled.

Easy to clean

Simply pop the trimmer head open and use the cleaning brush included to sweep away loose hairs.

Long lasting battery life

Up to 2 months of usage with one set of batteries, 120 minutes cordless power. (AA batteries are not included)

Contour following comb

Flexing guide comb that follows every curve of your face for getting an even trim in an easy and comfortable way.
