

Philips PerformerPro  
Vacuum cleaner with bag  
with TriActive+ nozzle

**2200 W**

AirflowMax technology  
HEPA 13 filter  
Animal

**FC9199/02**

Highest suction power, even as the bag fills up\*  
with 2200W motor and 5L dust capacity

With its powerful 2200W motor and specially designed dust chamber, Philips PerformerPro vacuum cleaner maintains high airflow, giving you the highest suction power. For great cleaning results, even as the bag fills up!\*

#### Excellent cleaning results

- 2200 Watt motor generating max. 500W suction power
- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust
- Revolutionary Airflow Max technology for extreme suction
- 5L dust capacity for longer cleaning
- Super Parquet nozzle removes 3 x more sticky dirt

#### Convenience

- 360Flex hose swivel for smooth maneuvering
- SmartLock coupling to easily adjust to each cleaning task
- Long reach for convenient cleaning
- Remote control for no bend, with IR wireless technology

#### Integrated Anti-Allergy system

- s-bag Ultra Long Performance captures even more fine dust
- HEPA AirSeal with HEPA 13 filter retains 99.99% of dust
- Allergy friendly quality tested by ECARF

**PHILIPS**

# Highlights

## 2200 Watt motor

2200 W motor generates max. 500W suction power for excellent cleaning results.

## 360Flex hose swivel

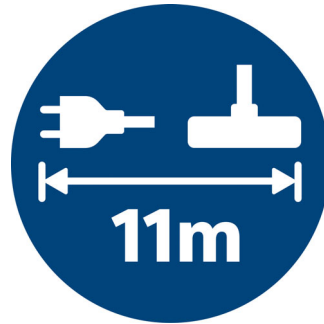

The Philips 360Flex hose swivel offers full 360 degrees of rotation of the hose for smooth maneuvering of the vacuum cleaner around your house.

## SmartLock coupling

The unique Philips SmartLock coupling on nozzles and the telescopic tube easily connects, and disconnects, these parts during cleaning. The SmartLock coupling intuitively allows you to adjust the telescopic tube to your preferred height.

## Long reach

11 m reach allows you to clean a larger surface without having to switch the plug.

## TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

## s-bag Ultra Long Performance

The Philips s-bag Ultra Long Performance made of five layers of high quality, non-clogging

material captures even the finest dust. This excellent filtration gives you a better cleaning result and clean air in your home. The multilayer filtration also maintains the vacuum cleaners high suction power during the entire lifetime of the bag. The s-bag ULP has been tested and certified by the independent test institute TÜV Rheinland Group, proven to last up to 80% longer than a standard dustbag.

## Airflow Max technology

Airflow Max technology maximizes the airflow, allowing the dustbag to unfold uniformly, so you get the highest suction power, even as the bag fills-up!

## HEPA AirSeal with HEPA 13

HEPA 13 filter and AirSeal capture even the finest dust before the air is blown out for a dust-free environment and clean, allergen free air. The exhaust air is even cleaner than the air in the room.

# Specifications

## Design

- Color: Titanium

## Performance

- Airflow (max): 51 l/s
- Input power (IEC): 1800 W
- Input power (max): 2200 W
- Sound power level: 79 dB
- Suction power (max): 500 W
- Vacuum (max): 36 kPa

## Filtration

- Dust bag type: s-bag Ultra Long Performance
- Exhaust filter: Ultra Clean Air HEPA 13 filter
- Motor filter: Triple layer
- Dust capacity: 5 L
- EPA AirSeal

## Usability

- Tube type: Metal 2-piece telescopic tube

- Carrying handle: Top and front
- Dust full indicator
- Tube coupling: SmartLock
- Wheel type: Rubber
- Power control: Electronic on appliance, Remote control
- Action radius: 11 m
- Cord length: 8 m

## Nozzles and accessories

- Standard nozzle: TriActive+ nozzle
- Accessory storage: On tubeclip
- Additional nozzle: Super Parquet nozzle

## Weight and dimensions

- Weight of product: 5.0 kg
- Dimensions of product (LxWxH): 500 x 310 x 300 mm
