

Expression Home XP-332

DATASHEET

Save space, money and time with this Epson small-in-one, featuring individual inks, mobile printing and LCD screen.

Part of Epson's small-in-one range, the XP-332 is ideal for those looking for high-quality, cost-effective printing in the home. With individual inks, only the colour used needs to be replaced, helping to save on costs. It's versatile too; Epson Connect offers a whole suite of mobile printing options. Featuring a stylish design, it is sure to complement any living space.

Efficient & affordable

Utilising Epson's Claria Home Inks, this small-in-one is ideal for producing crisp, clear text and glossy, lab-quality photos. Individual ink cartridges mean only the colour used needs to be replaced to save on costs.

Mobile printing

Whether using a smartphone or tablet, the iPrint app¹ can be downloaded to a range of devices for truly wireless printing and scanning. The possibilities don't end there, with Epson Email Print¹, it is possible to print from anywhere in the world¹ by simply emailing documents and photos directly to the printer. For creative-minded people, the Creative Print¹ app can access Facebook photos, create custom greeting cards and stationery, and even turn photos into colouring book templates. For added versatility, Wi-Fi Direct allows easy printing from compatible wireless devices without the need for a network connection.

PC-free printing

Simply slot in a memory card and use the 3.7cm colour LCD screen and helpful menu prompts to print your photos without a PC.

Space saving

Stylish and compact - the XP-332's small and lightweight design means it doesn't take up much valuable desk space.
