HDMI 270° Angled Adapter 4K Ultra HD 2160p (60 Hz)

The HDMI 19 Angled Adaptor F-M 4K Ultra HD 2160p (60 Hz) is a versatile solution for connecting HDMI cables in tight spaces. This adaptor features a female HDMI connector on one end and a male HDMI connector on the other, with a convenient angled design to prevent cable strain and optimize cable management. Supporting 4K Ultra HD resolutions up to 2160p at a smooth 60 Hz refresh rate, this adapter ensures a pristine and seamless viewing experience. Ideal for home theater setups, gaming consoles, and professional AV installations, this adapter reflects MicroConnect's commitment to providing high-quality connectivity solutions with reliable performance. Benefit from our 20+ years of expertise and enjoy a clutter-free and high-performance connection with this essential HDMI adapter.

- Gold-plated connectors
