

Dimmer switch

8718696506943

## Control your lights

anywhere in your house

Enrich your system with the Philips Hue dimmer switch and enjoy smooth wireless dimming. The switch works as a normal wall switch and dimmer. Place it anywhere you want, using screws or the adhesive tape on the back plate of the switch.

### Benefits

#### Easy control

- Dim your Philips Hue lights
- Place it where it matters
- Use as a remote control
- No wires — battery powered
- Switch between scenes
- Requires a Philips Hue bridge

**PHILIPS**

## Features

### Dim your Philips Hue lights

Using the Philips Hue dimmer switch, you can smoothly dim your favourite light setting up and down

### Place it anywhere

The Philips Hue dimmer switch works as a normal wall switch and dimmer. You can place it wherever you want, using screws or the adhesive tape on the back plate of the switch

### Use as a remote control

Pick up the remote and use it wherever you want for your comfort. The control unit of the switch is magnetic and can be removed from the base plate.

### No wires — battery powered

The Philips Hue dimmer switch is battery-powered, so there is no installation required

### Switch between scenes

When using your dimmer switch with Philips Hue white ambience or Philips Hue white and colour ambience products, you can use the on button to switch between 4 light recipes, or use the Philips Hue app to configure your favourite 4 scenes. It's all up to you

### Requires a Philips Hue bridge

This product requires a connection to the Philips Hue bridge
