

# CREATE PROTECTIVE CASE WITH ANY-ANGLE STAND

## PROTECTION AT ANY ANGLE.

Logi CREATE Case protects your iPad Pro at every angle. As a stand, CREATE case lets you adjust the viewing angle anywhere along a 60-degree range, instead of just a few fixed positions. You get the perfect view whether you're watching videos, playing games or working with Apple Pencil. Its micro hinge makes sure the angle you've chosen stays put until you decide to change it. When closed, CREATE protects your iPad Pro from bumps, scratches and spills. Its auto wake/auto sleep function makes sure your iPad Pro is ready when you are.
