

FOCUS FLEXIBLE CASE FOR iPad mini 4

BECAUSE EVERY ANGLE COUNTS.

Logi™ Focus. The flexible case for iPad mini 4 with any-angle stand. Instead of one or two viewing positions, you can now choose any angle within a 50-degree viewing range. Pick the perfect angle for whatever you're up to. iPad stays put until you decide to move it. A unique, powerful, smooth-gliding hinge works like no stand for iPad you've seen before and is designed to withstand adjustments time after time. E.P.S. (Essential Protection System) protects iPad from accidental bumps, scratches or spills. The case wakes your tablet when you open the cover and puts it to sleep when you close it.
