Landscape Kiosk Enclosure

Fits Most 40", 42", 46", 47" Displays
between 50mm (2.00") and 82mm (3.24") Thick

Replace drab posterboard signs and concierge desks with Peerless-AV's sleek digital signage kiosks. Designed to best support an ultra-thin display, this kiosk is sure to make an impact with its audience. Whether it's advertising, a digital directory, or way finding, this solution is an ideal fit for a hotel lobby, corporate campus, college/university campus, hospital, shopping mall and more.

FEATURES

- VESA® 200 x 200 up to 600 x 400mm compatible
- Eight-way tool-less adjustment to quickly position display in kiosk window for a flush alignment
- Hinged top frame offers easy access to display and other internal components for easy maintenance and enhanced security
- Supports wide range of aesthetic options including multiple colors, vinyl wraps, etc. to best match environment or promote brand strategy
- Stand-alone kiosk enclosure or fully integrated with screen, media player, etc.
- Pre-assembled to simplify installation of entire solution

There are 3 ways to personalise this kiosk:

1. Vinyl logo / graphic onto the Black or Silver finish kiosk
2. Custom colour finish to match a specific RAL code
3. Complete vinyl wrap for a seamless full colour design
