## Features

### Skin comfort system

Designed to be safe and comfortable for underarms, chest & abs, back & shoulders, groin area and legs. The skin comfort system catches and cuts hairs of different lengths, without the need for multiple tools or skin contact with sharp edges. The bi-directional trimmers cut longer hairs, which are shaved by the foil for a closer result.

### Skin-friendly tips and foil

The skin comfort system features a hypo-allergenic foil and rounded tips to protect your skin while shaving.

### 3 combs included, 1/8-9/32"

3 combs included for different body hair lengths. Attach the combs onto the shaving system, to trim hair to fixed length settings of 3mm (1/8"), 5mm (3/16"), or 7mm (9/32"). You can use the shaving system without the combs, for a closer result. For thicker hair, pre-trimming with the fixed combs is recommended.

### Shave your back

Conveniently remove back hair. This attachment has been specially designed for convenient back grooming.

### Rechargeable battery power

High-power NiMH battery for full body use, with 50 minutes of cordless use after an 8-hour charge. The battery light indicates power status, when the battery is low or full.

### 100% Showerproof

Provides a comfortable and close result in or out of the shower. The body groomer is 100% water-resistant, so you can simply rinse it clean when you've finished. For longer hair, trimming performance may be better on dry hair.

### Ergonomic grip

The rubber grip is designed to ensure optimal handling even when wet, for better control during use, in or out of the shower.

### Built to last

All of our grooming products are built to last. They come with a 2 year worldwide warranty, worldwide voltage compatibility, and they never need to be oiled.
