## Wireless Bluetooth Waterproof Speaker

The Conceptronic Wireless Bluetooth Waterproof Speaker is a funky Bluetooth multimedia device which connects to any Bluetooth mobile phone, PDA, laptop or PC. With a tough but soft gel-plastic outer shell protecting the sophisticated electronics inside, the speaker is waterproof, light, and suitable for low-power USB devices. Finished in a stylish and compact design, this ultra-cool little speaker is the ultimate music companion for travel, sports, the beach, parties, or just life in general.
