## Power Cord JPN 3pin - C5 1.8m

### Specifications

|                                  |                         |                          |
|----------------------------------|-------------------------|--------------------------|
| Features                         | Cable length            | 1.8 m                    |
|                                  | Cable type              | H05VV-F3G                |
|                                  | Conductor material      | Copper                   |
|                                  | Connector 1             | USA Power Type B         |
|                                  | Connector 1 form factor | Straight                 |
|                                  | Connector 1 gender      | Male                     |
|                                  | Connector 2             | C5 coupler               |
|                                  | Connector 2 form factor | Straight                 |
|                                  | Connector 2 gender      | Female                   |
|                                  | Core size               | 0.75 mm <sup>2</sup>     |
|                                  | Jacket material         | Polyvinyl chloride (PVC) |
|                                  | Number of cable cores   | 3                        |
|                                  | Product colour          | Black                    |
|                                  | RoHS compliance         | Yes                      |
| Legal Information                | ADR Information         | No restrictions          |
|                                  | Country of Origin       | China                    |
|                                  | EU ECCN Code            | N/A                      |
|                                  | Tariff No.              | 8544429090               |
|                                  | UNSPSC Code             | 26121629                 |
|                                  | US ECCN Code            | EAR99                    |
| Package dimensions<br>(verified) | Depth Verified          | 16 cm                    |
|                                  | Gross Weight Verified   | 0.166 kg                 |
|                                  | Height Verified         | 3.3 cm                   |
|                                  | Width Verified          | 27.5 cm                  |
| Power                            | Input current           | 10 A                     |
|                                  | Input voltage           | 250 V                    |
|                                  | Maximum current         | 2.5 A                    |

**Product dimensions**

|                                 |         |
|---------------------------------|---------|
| <b>Net Weight (Product, kg)</b> | 0.15 kg |
