## Bluetooth Speaker

The Conceptronic Bluetooth Speaker with Remote Control is a Bluetooth multimedia speaker which connects wirelessly to a Bluetooth mobile phone, PDA, laptop or PC. Equipped with a remote control, the speaker can be controlled remotely when connecting to a computer, laptop, PDA or MP3 player via a 3.5mm plug. A carry handle enables easy transportation, making it a great lifestyle accessory for moving to any room, while the stylish profile fits perfectly into a sophisticated modern home.
