GC562/30

Revive your delicate clothes with steam

With innovative AirStretch technology

New ClearTouch Air garment steamer gives you better ironing results in one go, thanks to the innovative AirStretch technology and powerful steam. The suction gently stretches your clothes for safe and easy crease removal.

Better ironing results

- AirStretch technology for better ironing results in one go
- Extra powerful steam
- SmartFlow heated steam plate for great results
- Pleats made easy with pleat making accessory

More efficiency, less effort

- Unique Hang&Lock for stability during steaming
- 3 steam levels including ECO mode
- Detachable, transparent water tank with hygienic water inlet
- Easy Rinse descaling function
- Glove for extra protection during steaming
- Safe to use on delicate fabrics, like silk

Refreshes clothes without washing or dry cleaning

- Steam kills up to 99.9% of bacteria*
- Removes cigarette, food and body odors

PHILIPS

Highlights

AirStretch Technology

Achieve better ironing results faster, with air suction. This innovative AirStretch technology uses adjustable suction force to gently pull and stretch the garment while keeping it close for deeper steam penetration. This combination helps you to achieve great ironing results with only one hand.

SmartFlow steam plate

SmartFlow technology ensures great ironing results as the optimized steam flow heats up the steam plate. This keeps the steam plate at an optimal, safe temperature for all fabrics while effectively preventing wet spots. It features a coating that enables good gliding and corrosion resistance.

Hang&Lock

Unique Hang&Lock feature locks the garment hanger and enables stability for more convenient steaming - even with your own hanger.

3 steam levels

Set your preferred steam level for optimal results on different kinds of garments. The ECO mode lets you save energy without compromising on results.

Detachable water tank

1.2 L detachable water tank with special water inlet for extra hygiene.

Easy Rinse descaling function

Prolong the lifetime of your appliance by using the Easy Rinse descaling function regularly.

Pleats made easy

Pleats made easy with pleat making accessory.

Steam kills bacteria

Hot steam kills up to 99.9% of bacteria on clothes and helps delaying washing or dry cleaning*.

Extra powerful steam

Powerful steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Specifications

Easy to use

- Power cord length: 1.6 m
- Water tank capacity: 1200 ml
- Hang&Lock
- Detachable water tank
- Refill any time during use
- Safe on all ironable fabrics: Even delicates like silk
- Soleplate name: SmartFlow steam plate, XL steam plate
- Special water inlet: For extra hygiene
- Tap water suitable

Accessories included

- Glove for extra protection
- Pleat maker

Fast crease removal

- Continuous steam: 40 g/min
- Power: 2000 W
- Voltage: 240 V
- Variable steam: 3 levels

Scale management

- Descaling and cleaning: Easy Rinse

Size and weight

- Packaging dimensions (WxHxL): 40x45x33.3 cm
- Product dimensions (WxHxL): 33x172x33 cm
- Total weight with packaging: 5.73 kg
- Weight of iron: 3.81 kg

Technology

- AirStretch Technology
