Highlights

CloseCut blades

CloseCut blades are precision-engineered to give you a reliably close shave every time. The durable self-sharpening blades don't wear off to ensure that your shave stays effective and fast.

Dynamic contour response

The shaver automatically adjusts to every curve of your face and neck for a smoother shave

Corded and cordless use

Can be used corded and cordless

Battery light

Charging indicator and battery full indicator.

30+ shaving minutes

You'll have 30+ minutes of shaving time that's around 14 shaves after 1 hour of charging. Plug it in for 3 minutes and you'll have enough power for one shave.

Easy grip for optimal handling

This ergonomically designed grip enables easy handling for a comfortable shave.

Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.
