Highlights

Our fastest epilation ever

Our epilator head is unique in being made from a textured ceramic surface that gently extract even the finest hairs and those 4x shorter than wax. Now with faster disc rotation than ever before (2200RPM) for our fastest hair removal.

Extra wide epilator head

Extra wide epilator head covers more skin with every stroke for faster hair removal.

Ergonomic S-shaped handle

The ergonomic S-shaped handle is easy to steer for maximum control and better reach with natural and precise movements, all over your body.

Cordless wet and dry usage

Designed with an anti-slip grip, ideal for use with water. Enables a more comfortable, gentle experience in your shower or bath. You can use it cordless for best convenience.

Opti-Light

Opti-light helps you target and remove even trickiest hairs

Shaving head and trimming comb

The shaving head provides a close shave and more gentleness in different body areas. It comes with a trimming comb to style your bikini area.

Massage cap

Massage cap eases the epilation sensation.
