

Philips PowerPro Active  
Bagless vacuum cleaner  
with PowerCyclone 4  
Technology

Energy efficiency class A

TriActive+ nozzle  
Hard floors nozzle  
Super Clean Air

FC9532/09

## Full performance with PowerCyclone 4

### Quick and easy emptying

The new Philips PowerPro Active bagless vacuum cleaner delivers top cleaning performance, thanks to PowerCyclone technology and TriActive+ nozzle, engineered to maximize dust pick-up. The dust container is easy to empty, with no dust cloud.

#### Remarkable cleaning results

- Energy efficiency class A
- PowerCyclone 4 technology separates dust and air in one go
- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust
- A-class performance on hard floors

#### Effortless cleaning

- Advanced dust container design for hygienic emptying
- ActiveLock couplings to easily adjust to each cleaning task
- Reach all corners thanks to the extra long ergonomic grip
- Soft brush integrated into handle, always ready to use
- Variable power setting

#### Clean air filter system

- Super Clean Air exhaust filter

# PHILIPS

# Highlights

## Energy efficiency class A

This vacuum cleaner is engineered to achieve full performance with an energy efficiency class A.

## PowerCyclone 4 Technology

PowerCyclone 4 technology maximizes airflow and performance by separating dirt from air in one go. It delivers remarkable cleaning results through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

## TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet

with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

## A-class on hard floors

This product achieves the highest cleaning performance class on hard floors. 100% of dust is picked up!

## Easy to empty dust container

The dust container is carefully designed to dispose collected dirt without creating a dust cloud. It is one-hand operated and thanks to its unique shape and smooth surface, you can easily control the emptying of the dust container.

## Integrated soft brush

The vacuum cleaner is designed with a soft dusting brush, which is conveniently integrated in the handle of the appliance, always ready to use.

## ActiveLock couplings

The ActiveLock couplings allow you to easily connect and disconnect the different nozzles and accessories from the telescopic tube while cleaning.

## Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

# Specifications

## Performance

- Energy efficiency rating: A
- Dust re-emission class: C
- Carpet cleaning class: D
- Hard floor cleaning class: A
- Airflow (max): 27,8 l/s
- Annual energy consumption: 25,9 kW h
- Input power (IEC): 750 W
- Sound power level: 78 dB
- Vacuum (max): 16,8 kPa

## Usability

- Action radius: 9 m
- Carrying handle: Top and front
- Cord length: 6 m
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber
- Tube coupling: ActiveLock
- Power control: Electronic on appliance

## Design

- Color: Full red

## Filtration

- Dust capacity: 1,7 L
- Exhaust filter: Microfilter
- Motor filter: Super Clean Air

## Nozzles and accessories

- Accessories included: Crevice tool, Integrated brush
- Accessory storage: On tubeclip
- Additional nozzle: Hard floor nozzle
- Standard nozzle: TriActive+ nozzle

## Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

## Weight and dimensions

- Dimensions of product (LxWxH): 473 x 304 x 301 mm
- Weight of product: 6 kg
