### Extra large 94L gross capacity

When it comes to capacity, bigger is definitely better. Despite its standard dimensions, the 94 liter\* Beko oven has among the most spacious interiors among in its class. The extra large interior provides enough room to roast a big turkey, or prepare a big feast for family and friends. It's convenient for large families, or anybody who wants to get the most out of a Standard 60 cm width built in oven.

### Steamaid Cooking

Steam is injected into the oven cavity at ideal predetermined times. Steamaid cooking is ideal for yummy crust on breads, pastries and meat.

### Steam Shine Cleaning

Steam is generated and injected into the oven cavity during the cleaning cycle. The Steam Shine Clean program softens all the remains of food & oil in the oven so that all you need is a wipe of a cloth to clean your oven.

### 75 Automatic cooking programs

With 14 cooking functions and 75 automatic cooking programmes, you'll be able to cook any meal to perfection.
