IMPORTANT BATTERY INFORMATION

- Use only fresh batteries of the required size and recommended type.
- Do not mix old and new batteries, different types of batteries [standard (Carbon-Zinc), Alkaline or rechargeable] or rechargeable batteries of different capacities.
- Remove rechargeable batteries from the toy before recharging them.
- Rechargeable batteries are only to be charged under adult supervision.
- Please respect the correct polarity, (+) and (-).
- Do not try to recharge non-rechargeable batteries.
- Do not dispose of batteries into fire.
- Replace all batteries of the same type/brand at the same time.
- The supply terminals are not to be short-circuited.
- Remove exhausted batteries from the toy.
- Batteries should be replaced by adults.
- Remove batteries if the toy is not going to be played with for some time.
- Batteries should be recycled or disposed of as per state and local guidelines.

NOTE: When the battery starts to run low, an louder than normal audible clicking sound may be heard while driving backwards. When this happens, replace all batteries in the unit.

The packaging should be kept because it contains important information.

We recommend that you retain our address for future reference.

Product and colors may vary.

Packaging printed in China.

WARNING! This product is not suitable for children under 3 years because of small parts - choking hazard.

MADE IN CHINA

MEETS CPSC SAFETY REQUIREMENTS

WARNING! This equipment may experience difficulty and/or memory loss when subjected to any electrostatic discharge, radio frequency interference, or sudden power surge/interruption. The user is encouraged to reset the equipment should any of these occur.

 **WARNING:** This product contains a coin or button cell battery. A coin or button cell battery can cause serious internal chemical burns if swallowed.

 **WARNING:** Swallowing may lead to serious injury in as little as 2 hours or death, due to chemical burns and potential perforation of the oesophagus. Dispose of used batteries immediately and safely. Flat batteries can still be dangerous. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
