SHQ1405BL/00

PUSH YOUR LIMITS

Customisable fit sports earbuds

Philips Actionfit RunWild sports headphones push you to a new personal best. Feather-light and waterproof, with a customisable fit. Meanwhile high-power drivers deliver deep bass to keep your body moving.

Benefits

Intensity

- Open acoustic design allows you to be aware of your surroundings
- Open acoustics let sound in for better awareness and safety
- High performance sound pushes you further

Freedom

- Personalise your fit with ear hook, fin or earbud styles
- Cable clip included for tangle-free workout
- Extreme comfort for training: 4.69gm ultralight headphones

- Control your music and pick up calls while training

Protection

- Kevlar® reinforced cable for ultimate durability
- Ideal for intense workouts with IPX4 water resistance
- Washable after workouts

PHILIPS

Features

Open acoustic design

These ActionFit headphones do not block out sound, so you can stay aware of your environment and keep safe, especially when exercising outdoors. An open acoustic platform provides quality sound without masking the world around you.

3 wearing styles

Personalise your fit. Choose between earhook, fins or earbud styles to keep the headphones firmly in your ear, so you can keep on moving.

Ambient sound awareness

Enjoy quality sound that doesn't block out the world around you. The open acoustic design lets ambient sound in, so you can stay aware of your surroundings and stay safer exercising in the outdoors.

Extra durable Kevlar® cable

Designed for durability and strength. Its Kevlar-coated cable is protected against tearing and breaking, withstanding extreme workouts.

High-performance sound

13.6-mm (0.5") drivers pump out high performance sound, pushing you to perform at your best.

Sweat-proof and waterproof

Don't be afraid to break a sweat, or venture into the elements. With an IPX4 rating, you can get sweaty and work out in the rain without any moisture entering the earpiece.

Tangle-free workout

A cable clip keeps the wires out of your way while you push yourself harder.

Ultralight design

Your ActionFit headphones weigh in at a mere 4.69gm, making them ultra lightweight and a pleasure to wear. In fact, you will hardly feel them when you're working out — just the superb, powerful sound that keeps you focused and motivated.

Mic and control

Stay connected. The built-in microphone and track controls (IPX2) allow you to change music or pick up calls quickly and easily while you train.

Washable

Constructed with waterproof materials, allowing you to wash your headphones under running tap water.
