

Philips MiniVac
Handheld vacuum cleaner

9.6 V

FC6145/61

Powerful MiniVac for a better cleaning result

Bagless cyclonic airflow and aerodynamic nozzle

Enjoy a better cleaning result with the powerful Philips MiniVac 9.6 V. The bagless cyclonic airflow and 2-stage filtration system guarantee lasting performance, while the aerodynamic nozzle design ensures a superior dust pick-up.

Superior cleaning results

- Aerodynamic nozzle design for a better dust pick-up

Optimal filtration

- 2-stage bagless cyclonic airflow for optimal filtration

High power guaranteed

- Powerful 9.6 V NiMH batteries for long-lasting performance

Easy to use

- Looped handle ensure optimum grip
- One-step click-off nozzle for easy emptying

Always at hand

- Slim charging base (for wall or table)

PHILIPS

Highlights

2-stage bagless cyclonic

The bagless cyclonic airflow keeps the dirt inside rotating to ensure optimal, high suction power and lasting cleaning performance. Its 2-stage filtration system ensures that, once inside, the dirt cannot escape. The first filter blocks most dirt, while the second filter traps the finer dust particles.

Aerodynamic nozzle design

The aerodynamic nozzle design of the Philips MiniVac is created to ensure an optimum dust pick-up of even the most fine dust particles. The ergonomic shape of the nozzle helps you to clean even the most hard-to-reach areas.

Powerful 9.6 V NiMH batteries

The powerful longer-lasting Nickel-Metalhydride (NiMH) batteries* of the Philips MiniVac do not cope with memory effect. This effect reduces the capacity of the battery over time, reducing the runtime. This Mini Vac with NiMH batteries ensures longerlasting power versus products with the standard Nickel-Cadmium (NiCd) batteries that do have memory effect.

Slim charging base (for wall or table)

You can store the Philips Mini Vac on a convenient charging base, mounted on a wall or placed on a table. This means the Mini Vac,

with its powerful rechargeable battery, is always ready when you are.

Comfortable grip

The Philips Mini Vac has a looped handle that ensures optimum grip. You can grab the Mini Vac in any way you like. The soft rubber coating feels gentle and gives the firm grip you need.

One-step click-off nozzle

The Philips MiniVac vacuum cleaner is easy and quick to empty and hygienic to clean. The Philips MiniVac has a nozzle that easily clicks off in just one step, so you can empty the Mini Vac without touching the dirt.

Specifications

Design

- Color: Magic purple
- Design features: Translucent dust chamber

Performance

- Runtime: 9 minute(s)
- Noise level (Lc IEC): 81 dB
- Airflow (max): 840 l/min
- Input power (max): 95 W
- Suction power (max): 19 W
- Vacuum (max): 4.1 kPa
- Battery voltage: 9.6 V
- Charging time: 16-18 hour(s)

Filtration

- Filter system: 2-stage cyclonic action
- Dust capacity: 0.5 L

Usability

- Special features: Charging indication, Soft touch handle

Nozzles and accessories

- Other accessories: Charging base

Issue date 2016-05-19

Version: 3.3.1
