- Control music visibility with the LED button
- Up to 8 hours of powerful LED light

Ignite your bass

- Neodymium drivers deliver deep bass and powerful sound

Powerful design expression

- Supreme durability and toughness with a robust feel
- Tough but comfortable headband
- A rubber cable for extra durability

PHILIPS

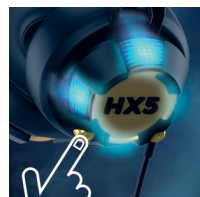

Features

Bright LEDs

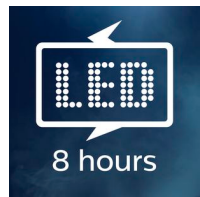

A powerful LED syncs to every beat of your music so you can see and hear sound. For the first time ever, you can share your music visually.

LED button

Control music visibility with the LED activation button easily on the left earcan.

Long playtime

Powerful neodymium drivers

40-mm (1.6") neodymium drivers deliver deep bass, amplifying the pulse of your music. They deliver high definition sound with a wide dynamic range, reproducing even the most minute details.
