Ergonomic & Comfortable Design The Trust GXT 111 Gaming Mouse is ergonomically shaped. It can therefore be operated comfortably, even during long gaming sessions. The mouse also has rubberized sides, which ensures an optimal grip during the heat of the battle. Illuminated speed indication
-------------------------------	---

The Trust GXT 111 Gaming Mouse features an optical gaming sensor with adjustable values ranging from 800 DPI to 2500 DPI. With the DPI switch button you can easily adjust the speed while gaming, allowing you to adapt to any situation or game. Each DPI setting is easy to recognize, since it has its own unique coloured illumination. With the durable braided cable you will experience less drag in comparison to a regular cable.

Double Fire Button

The Trust GXT 111 features 7 buttons including a one-click button for double fire. Thanks to this double fire button no enemy is quicker than you. With this button you can shoot your target not just once but twice with just one click of a button. This enables you to take on all opponents and will double your chances to win.
