

Name: **Car Power Supply (12/24V) Micro-USB 2.1A**
Manufacturer: **Techly**

- Car Charger (12V / 24V) with Micro USB connection
- Allows charging via the cigarette lighter socket
- Flexible coiled cable, 1.2m length
- Input voltage: 12-24 V DC
- Output voltage: 5V
- Output current 2100 mAh
- Provides 2.1 amps: enough energy to recharge smartphones and tablets
- charger Color: Black

Certifications

- EC
- WEEE

Dimensions

- Width: 2 cm
- Depth: 2 cm
- Height: 7.7 cm

Package Contents

- Car Charger 5V 2.1A with cable
