Marketing

Extended retailer text	Do you like skypeing or vlogging? Then you need a webcam that makes you look your best. With the Trust Viveo HD 720 Webcam you can record high quality video's or skype with your friends and family. High performance The Trust Viveo webcam provides you with a resolution up to 2 megapixel (1600 x 2000), ensuring a high quality video image. This way you can give your viewers the best quality video's on your Youtube Channel, vlogs and video chats.
------------------------	---

Besides this, the internal microphone guarantees clear sound; so whether you are producing a video or chatting with friends, you're always heard clearly.

Smart design

The design of the webcam allows you to place the webcam in multiple ways. Place it on your desk using the stand or use the clip and attach the webcam to your laptop screen or flat screen. Your image is always stable, no matter where you're Skype-calling from!

Bright and clear: Always the best light

The automatic white balance in the webcam easily adjusts the image to changing light conditions, such as a bright lamp or sunlight. You'll never have too bright or too dark YouTube videos anymore.
