Highlights

Aquatec Wet & Dry

The Aquatec seal on the shaver makes it 100% waterproof. Use it in the shower with your favorite shaving gel or foam for extra skin protection. Naturally, you can also shave dry for convenience. When you're done, simply pop the heads open and rinse under the tap to easily clean your shaver.

CloseCut blades

CloseCut blades have rounded edges that glide smoothly on your skin, so you always get a close - yet comfortable - shave.

Long-lasting blades

For maximum performance, replace your shaving heads every 2 years.

Cordless use

Cordless for convenience. Gives you 30+ minutes of cordless power. Fully recharges in 10 hours.

Easy to grip

The shaver handle has an ergonomic grip with anti-slip coating, ensuring close control for extra precision during your shave.

Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage.

Anti-bacterial material

Ag+ anti-bacterial material can suppress 99% bacteria to breed
