The Neomounts by Newstar workstation, model FPMA-D500KEYB, is a desk mount for monitor, keyboard and mouse. This product is suitable for screens up to and including 27" (69 cm). By using the Neomounts by Newstar workstation you can assemble a complete workplace to a desk using a desk clamp or grommet. Both included.

This ergonomic product offers you maximum comfort, freedom of movement and productivity. It is suitable for screens up to and including 27" (69 cm) with a maximum weight of 9 kilograms and a VESA hole pattern 75x75 or 100x100 mm.

Setting the desired working position is easy with the two pivot points and the turn, tilt and rotation function for the display. The arm is height adjustable to 78 centimetre and the depth can be adjusted between 0-56 cm. The distance between the monitor and keyboard/mouse is adjustable. Standard, this product is equipped with a desk clamp. With this clamp you can also mount the arm to the wall.

All installation material is included with the product.
