PHILIPS

Wet & Dry epilator

For legs, body and face 7 accessories, Cordless and rechargeable, S-shaped handle design

BRE644/10

Highlights

Wet and dry use

For a gentle and comfortable use during your shower or bath routine with anti slip grip for optimal wet and dry use.

Ergonomic S-shaped handle

The ergonomic S-shaped handle is easy to steer for maximum control and better reach with natural and precise movements, all over your body.

Micro ridged ceramic discs

Our epilator head is unique in being made from a rough ceramic material that grabs hair firmly, even fine hairs won't slip from its grip.

Widest epilation head

Widest epilation head for optimal hair removal in one stroke for long lasting results.

Patented epilation system

All of our Philips epilators have a unique system where the tweezers lift and gather the lying hair, guide them to the pulling point firmly grabbing and pulling out the hair. Combined with the unique round ceramic discs it epilates closer to the skin for optimal results and more gentleness.

Opti-light

Unique light ensures you don't miss fine hairs for best epilation results for all body parts.

Body care heads

Body care heads will bring more personalized and convenient solutions to her individual beauty routine for hair removal and beyond.

90 degree angle

The Philips Satinelle will always give you the best performance when used at a 90 degree angle.

Body exfoliation brush

Our new Body exfoliation brush removes dead skin cells. The hypo-allergenic 48.200 fine bristles gently yet effectively sweep away dead skin cells & stimulate the regeneration of the skin surface. This device will exfoliate your skin more effectively than manual treatment alone.
