- Box dimensions (WxHxD):
  252 x 93 x 153 mm
- Master carton dimensions (WxHxD):
  266 x 119 x 161 mm
- Master carton quantity: 1
- Product dimensions (WxHxD):
  64.4 x 106.5 x 19.9 mm
- Product weight: 167 g

Power
- Adaptor type: 100-240 V
- Battery capacity: 1200 mAh
- Battery type: LI-Polymer
- Charging time: 4 hrs full, 2 hrs fast charge
- Rechargeable
- Battery replaceable by Philips service

Product highlights

Make voice memos in MP3
Sing, dictate, record notes directly to MP3 via the built-in microphone.

Direct MP3 recording
Record directly to MP3 via digital or analog line-in connections for real-time MP3 encoded files (No PC required).

High-speed USB2.0
Enables the speedy transfer of data between your hdd120 and USB2.0-supported PC. USB2.0 is backwards compatible with USB1.1 standard, so a USB1.1 computer port will work with the hdd120 using the bypacked cable and connectors.

SuperScroll™ navigation
Double action search keys allow easy speed control when scrolling through large libraries. You can choose to move through your playlist one song at a time or just press and hold down a little harder to SuperScroll™ swiftly to your desired track.

USB mass storage class
USB mass storage devices offer a convenient way to save, backup and move your files around. The jukebox connects to your computer using a USB connection and does not require any special software to be installed (Windows 98 needs drivers). The jukebox automatically shows up as a removable drive in Windows Explorer allowing you to simply drag and drop files to and from the jukebox.

* Available storage capacity will be less. Capacity based on 4 minutes per song and 64 kbps WMA or 128 kbps MP3 encoding.
** Battery life varies with use
