

## i-tec USB-C HUB 3 Port + Power Delivery

i-tec USB-C 3-port HUB with Power Delivery function, 3x USB 3.0 port for connecting USB-A devices to the new USB-C connector, 1x USB-C Power Delivery port, for notebook tablet smartphone PC with USB-C connector, compatible with Thunderbolt 3, Windows, Mac OS, Android, Chrome

### PRODUCT DESCRIPTION

The ADVANCE Series is the highest level of i-tec accessories bringing you the cutting edge technologies of products with a modern design and exclusive packaging.

This HUB expands your notebook, tablet, PC or smartphone, which features the new USB Type-C connector, with 3 standard USB ports. It has 3x USB 3.0 port for connecting your current USB 3.1/3.0/2.0 devices and high-speed data transmission (5 Gbps) and 1x USB Type-C Power Delivery port for charging notebooks, tablets or smartphones with support for Power Delivery. To this port you can connect an original or a universal AC power adapter with USB Type-C connector, it ensures the constant charging of your notebook, tablet or smartphone during your work.

HUB is suitable for use with Apple MacBook 2015, Chromebook Pixel 2015, and other devices with the USB Type-C connector. The new USB Type-C connector has many advantages, it is smaller, symmetrical and allows the easy connection because now you don't need to take care of the connector rotation.

You will appreciate compact size and low weight of the HUB, especially during travels.

**In case of problems with the installation, technical difficulties or incorrect function of the equipment, check first for the possible solution in the FAQ tab.**
