Highlights

Gentle skin exfoliation

150,000 crystal particles gently sweep away the top layer of the skin where pigment is accumulated to reveal smoother, fresher skin.

Air lift massage

Air lift massage increases the blood flow by 67% giving skin an immediate healthy glow.

Wet & Dry

Enjoy the gentleness of water. VisaCare Even Skin Tone can be used on wet skin, at the sink, in the tub or under the shower.

For use every day

VisaCare Even Skin Tone is so gentle on your skin that it can be used every day, together with your other skin products. The full treatment takes just 2 minutes.

Cordless usage

VisaCare Even Skin Tone is cordless so it's comfortable and convenient to use.

Overnight charge

Charge your VisaCare Even Skin Tone in the charging stand included. You'll get 3 weeks of treatment from just one overnight charge.

Developed with experts

We developed VisaCare Even Skin Tone together with expert scientists and dermatologists.

For all skin types

VisaCare Even Skin Tone can be used on all skin types, from the lightest to the darkest.
