Product Description

Schools, libraries and public multi-user environments need the highest level of iMac security. The SafeDome Mounted Locking Stand delivers with a stationary solution that lets you bolt the iMac directly to a desktop or tabletop. Not only does SafeDome complement the beautiful iMac aesthetics, it preserves screen swivel adjustments and offers a cable management pass-thru to organize cord clutter and secure any wired iMac accessories like a keyboard or mouse.

Features

- SafeDome and ClickSafe lock head quickly assemble, secure iMac
- Stand bolts directly to desktop or tabletop for fixed, strong anti-theft security
- Built-in cable management secures wired iMac accessories, reduces cord clutter
- Maintains full functionality of screen swivel to adjust the viewing angle
- Sleek design complements iMac aesthetics
- Compatible with both 21" and 27" iMac models (2010 and later)
- Sleek design complements aesthetics of the iMac
- Universally compatible with both 21" and 27" iMac models, 2010 and newer
