

Philips
Mop assy

CP0177

Water tank so you are always mopping with clean water

Find matching products on the specifications tab

The water tank clicks easily to switch between wet and dry cleaning. For wet cleaning, fill it with tap water and/or detergent. The microfibre pads attached to the bottom of the tank will maintain an optimum level of wetness for thorough cleaning.

Ease of using Philips spare parts

- Easily renew your product with original Philips parts

PHILIPS

Specifications

Suitable for

• PowerPro Aqua: FC6400, FC6401, FC6402,
