Highlights

Bright light in compact design

This Philips energy-saving bulb is small enough to fit neatly wherever you need extra bright light at home. Ideal for narrow luminaires.

Saves up to 80% energy

This bulb uses up to 80% less energy than traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Long lifetime - up to 6 years

Philips energy-saving bulbs are designed to last. With a lifetime of up to 6 years, you can avoid the hassle and cost of frequently replacing bulbs, while saving energy year in, year out.
