### Easy to use

- Interface with 3 level battery indicator and travel lock
- Charges fully in one hour
- 2-year guarantee, worldwide voltage and replaceable blades

### Get the most of your shaver

- Convenient travel case

# PHILIPS

# Highlights

## V-Track precision blade system

Get the perfect close shave. The V-Track Precision Blades gently position each hair in the best cutting position, even the flat laying and different length of hairs. Cuts 30% closer in less strokes leaving your skin in great condition.

## 8-direction ContourDetectHeads

Follow every contour of your face and neck with 8-directional ContourDetect heads. You'll catch 20% more hairs with every pass. Resulting in an extremely close, smooth shave.

## Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can

shave wet – with gel or foam – even under the shower.

## Super Lift & Cut Action

Shave closer with the dual-blade Super Lift & Cut action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

## 3 level battery indicator

The multi-level LED display shows when the battery is low, when you need a new head and when the travel lock is on. Travel lock prevents the product from turning on by accident. Press any button for 3 seconds to activate the travel lock, so the product doesn't get turned on accidentally. A red lock symbol shows when the travel lock is on.

## 50 shaving minutes

50 minutes

A powerful Lithium-ion battery gives you more shaves per charge. Charge it for an hour for up to 50 minutes of shaving time. Charge it for 5 minutes and you'll have enough power for one shave.

## Storage Case

The sleek design of the shaver storage case takes up less space and a built-in ventilation chamber dries your shaver even when you're on the go.

## Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.
